Our Katrina experience was:

We left at the last minute and evacuated to Pensacola, Fl on Sunday afternoon - We returned home on Tues morning to find our house still standing, but had received approx 13 foot of water - Everything was destroyed from inside the attic down. We were homeless, like most people and so was most of our family. We stayed @ relatives for a while, then a tent until we finally received our Fema camper. We also lost two cars and a motorcycle.

Write something special that you would like Santa to bring you or your family: Harley Davidson

We would appreciate anything that Santa could bring: We are in need of all household furnishings & appliances. Walmart Gift certificates would be Great (or any Gift certificate) The kids could pick out the things they want or need.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
